# Highland Rim Aquatic Plant Fertilizer

## A QUICK, NO MESS, EASY WAY TO FERTILIZE YOUR AQUATIC PLANTS

Highland Rim aquatic plant fertilizer gives newly planted aquatic plants a strong, early start. Safe and nontoxic, they will not promote algae blooms in ponds, and will not harm fish or other aquatic life.

### Grow gorgeous water gardens

with our special copper-free formula. Developed by a water-garden nursery known worldwide for superior plants and products, our fertilizer is carefully formulated to promote maximum blooming potential. Highland Rim's fast action fertilizer tablets will go right to work, giving your plants a strong start and steady diet.
